

Tulsakraft™ Versa Bag

Tulsakraft Versa Bags are the first and only hybrid reversible, natural and white, kraft bags. Unique and customizable, these bags deliver a truly green and sustainable solution branded merchandise bags.

Prior to being folded, the bags are custom printed from rolls of double sided paper that is white on one side and natural kraft on the other. This allows for 100% print coverage and gives you the option of using either side as the outside. Environmentally friendly water based inks are used and can be applied in up to three colors. Additional customization can be done with the over 20 handle colors available.

Made from 100% recycled paper, containing up to 95% post-consumer content, they also carry the FSC® (Forest Stewardship Council) certification.

Showcase your brand on a bag that's green without compromising the quality of the paper or the print.

These custom print bags are available with up to 100% coverage in 1-3 inks all for the same price. A minimum quantity of 2,500 is required and discounted pricing is available for volume orders.
